The Project Director, PIU-Sasaram.

National Highway Authority of India,

Sasaram Toll Plaza, NH-2, Km 907.100,

Malwar gate, Sasaram, District – Rohitas(Bihar)-821113

Email: piusasaram@nhai.org

Project: Six laning of Varanasi - Aurangabad Section of NH-2 from Km 786.000 to Km 978.400 in the State of UP/Bihar on Design, Build, Finance, Operate and Transfer (The 'DBFOT') Toll Basis under NHDP Phase-V

Subject: Implementation and Integration of Advanced Traffic Management System (ATMS) as per NHAI Policy Circular no 11.53/2023 dated 10th Oct 2023- Request for issuance of Change of Scope Notice as per Clause 16.2.1 of Concession Agreement (CA).

Reference: 1. SI-PO/NH-2/2023-24/14810 dated 7th March 2024.
2. LNM/PD/NHAI/V-A/2023-24/9967 dated 19th February 2024.
3. Contract Agreement dated July 2010.
4. NHAI/Policy Guidelines/Standard Documents/policy Circular No.11.53/2023 dated 10th October 2023.
5. ICAI/Members/Training/2023-24/1165 dated 04.03.2024.

Dear Sir,

With reference (1) cited above, letter from Concessionaire regarding compliance of IE's letter no 9967 cited under reference (2), following are the comments & observations from IE:

1. Concessionaire mentioned in letter no 14810 dated 7th March 2024 that a joint site visit with IE has been done on 2nd November 2023, but that visit was not with an ATMS Expert. Hence for final count of ATMS Equipment's a joint site visit with Concessionaire, ATMS Expert & Safety Expert is required.
2. Point 4.18 Advance Traffic Management Systems in Contract Agreement the clause 4.18.3 (b) "Video cameras installed on road with such pan and tilts that a length of 2 km road is captured for video monitoring of traffic". These cameras are of 4MP size & cost is between 2.5 lakhs to 6 lakhs.
3. As Concessionaire believe ECB, MRCS are obsolete equipment's hence negative COS has to be considered for Equipment's like ATCC, ECB & MRCS.

Corporate Office : ■ Bhopal ■ Indore ■ Mumbai ■ Pune

4. Also, in reference (5) cited above IHMCL conducted a training for all Authority Engineers and System Integrators on 4th March 2024 at NHAI Head Quarters Delhi, where Authority Engineers were guided for providing COS for Policy Circular 11.53 cited as reference (2) above. Specially COS would be provided for VIDES & VSDS only.

Hence Concessionaire is requested to revise the list of ATMS Equipment's and its price as per the comments mentioned above and submit a new ATMS Plan.

Thanking you and assurance our best services.

For, L.N. Malviya Infra Projects Pvt. Ltd.

Dr. L.N. Malviya,
(Chairman cum Managing Director)

Sakshi Gupta
(HTMS/Toll Expert)
